

2023 Regents Academic Staff Excellence Awards Call for Nominations

On behalf of the Academic Staff Professional Development and Recognition Committee, I am pleased to invite nominations from UW-Madison for the 2023 Regents Academic Staff Excellence Awards. These awards demonstrate the Regents' strong appreciation for the dedicated work, vital services, and outstanding contributions of the UW System's non-instructional academic staff. Across UW System, there will be two individual recipients, and a third award to honor an outstanding program. Each award will be for \$7,500, and we expect award recipients will be publicly recognized at the June 9, 2023 Board of Regents meeting.

Nominees for the individual award should be non-instructional academic staff, and nominations for the program award should be ones that are staffed primarily by non-instructional academic staff. The Regent awards committee will screen nominees based on four criteria: excellence of performance, personal interaction, initiative and creativity, and outstanding achievement. Similar criteria will be applied to nominated programs. The documentation provided should explicitly address these criteria. Additional information can be found at: <https://acstaff.wisc.edu/grants-awards/uw-system-awards/>.

Please submit all nomination materials through the application website: <https://apps.ohr.wisc.edu/staffdev/>. The deadline for submissions is **Monday, January 30, 2023, at 11:59 pm**. If you have any questions, please contact my office at pdrc@soas.wisc.edu.

Thank you for your support of these awards and your recognition of the contributions of academic staff to our university.

Jake Smith
Secretary of the Academic Staff
