RE: **2022-2023 UW-Madison Academic Staff Excellence Awards**

I am pleased to announce the 32nd year of the **UW-Madison Academic Staff Excellence Awards (deadline Monday, January 30, 2023)**. This year we will honor nine extraordinary people for achievement in seven categories. Recipients of the UW-Madison Academic Staff Excellence Awards will be named and honored at an awards ceremony in April, as well as at the May meeting of the Academic Staff Assembly.

We are most grateful to emeritus academic staff members Martha Casey, Ann Wallace, and Carroll (and the late Robert) Heideman for their continued sponsorship of these awards. I would also like to thank the Academic Staff Assembly's Professional Development and Recognition Committee for coordinating the awards process.

In addition to the UW-Madison awards, the **UW System Awards (deadline Monday, January 30, 2023)** will honor academic staff in two categories. Recipients of the Regents Awards are scheduled to be honored at the June 9, 2023 Board of Regents meeting.

I strongly urge you to participate in these fine programs by forwarding nominations for those academic staff who exemplify the sustained excellence, outstanding achievement, and creative initiative that characterizes this world-renowned university.
